June 2011

NO. 6

From The Pastor: “Fire in the Lower Corner”

Two weeks after Easter we completed the installation of stained glass in the front three windows of the Sanctuary. In the picture on the right you see Maureen

McGuire’s sketch of the right front window before it was built. Maureen is the designer of our windows which represent God’s creation. If you want to see a picture taken of the completed windows go to our website at www.goldcanyonumc.org and click the button which says “Find us on Facebook.” This will send you to the

church’s Facebook page. You don’t need to be a member of Facebook to go to our page. Then scroll down until you see the picture of the windows and click on it.

In the lower right corner of the right window you will notice some flames. I have been asked by a couple of people what they represent. The fire is representative of the Holy Spirit, God’s power in our lives right here and right now. Probably the least understood of the Trinity is the Holy Spirit. This is why in June I will begin a series entitled “Catch the Fire.” This series will explore the implications of the Holy Spirit in our lives. We will understand how the holy is found in the common. We will address the questions of what is the Holy Spirit and can it help me in my life.

The windows have given the Sanctuary a stronger sense of a sacred space dedicated to the glory and worship of God. If you haven’t fled the heat I will see you on Sunday.

Grace and peace,

Fred

Donations for Student Financial Assistance

Have you ever considered financially helping a student to advance their education and/or career training but weren't sure how to go about finding qualified applicants? If so, GCUMC can now be of assistance. A new scholarship program has been established to help students, young and not so young, with their financial needs. There are established criteria that must be met before a potential recipient may receive any available funds. Brochures describing the criteria, along with more details about the program, are available in the "Information Rack" found in the church narthex.

If you shop for groceries at either Bashas' or Fry's (gas, too, at Fry's), we ask you to consider using one of their gift cards *bought from the church* to pay for your purchases. They can be purchased for as little as \$20. If your purchases will cost more than the amount on the card you can reload it at checkout for up to \$500 using your favorite credit card, a check or cash. You get miles on your card and the church earns 6% from Bashas' and 3% from Fry's every time you reload the card. *Best of all, it costs you nothing* to participate. Stop by the Information Desk in the east narthex to find out how you can help us save toward purchasing an additional bus in the near future. Our current bus, which is used to bring people to church and transport the youth to summer work camps and retreats, was obtained through this program which is easy to use and so valuable to the church. Thank you for being a part of this program which brings in \$500 to \$1,500 a month.

Update on Habitat for Humanity – Winter 2011 Project

Our winter build project is complete with the dedication having been held on May 21, 2011. The address is 1882 S Pino Circle in Apache Junction, near Southern and Ironwood, if you wish to drive by and see the house.

Many thanks to all who volunteered their labor, provided lunches, and donated funds to this project. Our church sent workers on 4 different Saturdays in February, March and April (as did our partner churches). Our homeowner, who worked alongside us, will be buying the house from Habitat on a no-interest loan, moving in soon after the dedication. Karen Stults and her 5 children, who currently live in a small 3 bedroom apartment, are very excited to have a safe and stable place to live. Karen has recently been accepted to nursing school, and also works part time.

We intend to build another home next winter, probably in Apache Junction. No experience is necessary, tools are provided, and the volunteer house leaders will teach you what you need to know. It's fun and rewarding, so please consider joining us.

Christian Education

By Alexandra Houseman

"Our mission is to bring the love of Christ and His teachings to learners of all ages on their spiritual journey, that they be transformed and thus positively affect our local and global communities."

Growing up on the central coast of California allowed me to experience the yearly phenomena known as "June Gloom". Mornings were always overcast and cold. That beach trip you had planned now seems to be not such a good idea. But the magic of June Gloom is that it always burns off by noon. The sun comes out and the water is warm. Do you ever feel that way here in Arizona? When all the winter residents have returned home it can seem like a gloomy ghost town. It is crucial this time of year to get connected with those in your community and your church and especially with GOD. Get involved, volunteer your time, join a small group, listen and learn and see how God's love flows through you.

Sunday School Teachers Needed

We need a few good women AND men who are interested in teaching adult and children's Sunday School classes. We are currently in need of a 10:50 am children's teacher as well as other adults who are interested in teaching adult classes on Sundays and during the week as well. If you are interested please pick up a volunteer application in the church office. We are also in need of substitute teachers for the children's classes.

Nursery Substitutes Needed

If you enjoy working with the smallest members of our congregation, we need you. We are looking for Sunday morning nursery substitutes as well as people who can work special events and Sunday nights for the 5:00 pm service. Please pick up a volunteer application in the church office.

U-Can and B.E.A.R.S Club continues to meet Wednesdays at 4:30 in the Education Building. All youth ages 5-12 are welcome to attend. Please encourage any child you know to attend this fun evening where they are able to learn of God's love outside of the traditional Sunday church setting. Contact Linda Walker for more information.

Adult Study

New home based small group Bible studies continue to be formed. If you are interested in joining a group of eight to ten individuals exploring and strengthening your faith, contact Alex Houseman in the church office. We will soon be forming groups to study *The 5 Love Languages* by Gray Chapman. Studies last between four and six weeks. If you are interested in leading a class please let Alex know that as well.

DISCIPLE

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. It focuses on the disciple as learner, believer, follower, proclaimer, and servant while providing the fellowship of a small group for study, prayer, preparation, support, and servanthood.

If you are interested in taking this step in your faith journey, please register between services at the Education table or with Alex Houseman in the church office. We will be forming new groups to start in the fall.

Women of Faith Convention

Sept. 23-24 at US Airways Center. If you would like to attend this exciting event, please see Alex Houseman at the Education Table between worship services to sign up. The cost is \$89 per person.

VBS Needs

If you are able to help, please bring any of the following items to the church office: **Items to be borrowed and returned:** fake foods (fruits, veggies, pastries), 50's style chrome bar stools, table umbrellas for bistro-size tables, rolling food carts, chrome metal shelving, chef hats and jackets, very large fork and spoon wall décor. **Donations** of empty baby food jars with lids, ribbon, stickers, gallon and quart size ziplock bags.

Good News on the Mission Trip - All of our shares have been purchased! A great big THANK YOU to all of our shareholders. We are now in the process of gathering tools needed to make this trip a success. The following are the tools needed: box of clean rags, 10 sets of safety goggles, 5 sets of workgloves, 20 wire brushes, 5 spray bottles, 2 utility knives, 3 chalk lines, 5 chisels, and 5 squares. Music Notes

Hopefully, by the time you are reading this, I will be on my way to recovering from my left ankle replacement surgery. I also hope that I don't get too fat being a couch-potato with my foot higher than my heart, eating bon-bons and watching soap operas! (Do they still have "soaps" on TV???)

Seriously, I have purchased a laptop computer and plan on writing a lot of music – some promised, some commissioned, and a bunch of old music I want to get on computer and submit for publication. This and a multitude of books are what will keep me busy for the most part. I am not supposed to put any weight on my left foot for 6 weeks, then another 6 weeks with a variety of casts, then, hopefully, I can get back and wail on the organ again! I am afraid, however, this will be an excruciatingly boring time!

While I am not looking forward to the surgery – I've never had surgery before – I am very much looking forward to playing the organ pedals like I did in high school and college, doing some great things, but all without pain. My thanks in advance to **Linda Jones** and **Nancy Virden** for taking over for me part of the time. I'm not exactly sure yet what will happen in June, but have some people lined up if needed. My thanks also to the **Chancel Choir**, **Chancel Ringers**, **Angel Choir**, **Youth Handbell Team** and the **GCUMC Orchestra** for giving me great inspiration to get this done, for all your great music making, and certainly, for all your prayers! This church has an incredible wealth of talented, generous and wonderful people!

Good news and bad news on the Organ Pipes. The good news is we have received a number of donations towards

the **Organ Pipe Fund**. The bad news is we did not reach our goal of \$350,000 to be able to order the pipes at this cost. God's time is best, so when the time comes that we should be able to add pipes, then the money will also come. It took over three years to get our stained glass windows funded, but the end result was certainly worth the wait and the cost. I know the addition of actual wind-blown pipes as pictured and described will also be worth the additional cost and wait! Thanks to all those who have helped to "seed" the Organ Pipe Fund. Our vision will grow to fruition in God's good time!

Another reminder: If you would like to sing with the **Chancel Choir**, we will continue to rehearse on Thursday evenings from 6:50 – 8:30 pm in the Music Room. If you can sing on pitch, and read music, you would be most welcome to join us! We can always use more voices in every section, and we really do have a lot of fun! Come check us out! The Chancel Choir will continue singing at both traditional services through July.

Looking towards the future, I have pretty well secured our Performing Arts Series for 2011-2012, and I promise you will enjoy every event you attend! I hope to publish the Series schedule in August or September.

Blessings to you all, and have safe travels this summer!

With agape love,

Doug

FROM THE SADIE RHYMES MEMORIAL CORNER

A big thank you to all the volunteers who have worked in the food bank and given many hours to helping folks, dogs and cats with food. Of course there wouldn't be a Food Bank without all of you and the community who donate so much. Thank you to Jeff Downing, Dan Gray and Rush Tucker who head up this project.

It has been another really big month for pet food. Thanks to Jolene & Michael Agnew again. They are purchasing and bagging dog food once a month. Sadie thanks you bunches. Thank you also to two families who each purchased a big bag of pet food. Also thanks to the person who gave a \$50 donation for pet food. We know there are others but don't know who you are, so we THANK you all. We are saddened to hear that Thomas & Mary Lynn Preiss' four year old schnauzer, Shipoopi, went to Rainbow Bridge in puppy heaven this month.

Love, Hu, Wendy, Hattie, Muffin and Sadie too!!!

APOLOGIES to Grace Wrobel for misspelling her last name last month. She is one of our new Stephen Ministers.

Healthy Living

Happy Father's Day

Here are some healthy reminders for our men to take care of yourselves. Each of you is loved and appreciated by your family. You are an important part of how life is played out at your home. Keeping yourselves healthy and happy may seem to be something you place on the back burner, after all, you say, I work long hours, sleep comes at a premium, there is always something to do and my work is stressful.

Here are 9 tips to creating a healthier you:

- ✝ Eat a well balanced diet. Include lean protein, fruits and veggies - at least 5 servings a day. Decrease your carbohydrate intake & JUNK FOOD. Take your lunch from home & include healthy snacks. Drink at least 64 ounces of water daily (preferably reverse osmosis or high quality bottled). Dehydration can make you fatigued, cause headaches and muscle aches, even brain fog. It can create an imbalance in your electrolytes (Potassium, sodium, chloride), which can cause heart issues like elevated BP, irregular heart beats, heart attack or stroke).
- ✝ Get 30 minutes of moderate activity planned into your day. Take walks at lunch time if possible or with your wife and kids in the evening or go to the gym. It will help keep your muscles strong and blood circulating. Can reduce the potential for arthritis to develop as you age.
- ✝ Play it safe -WEAR your seat belt. Do it every time you get seated in a vehicle - it could save your life.
- ✝ Do not use tobacco. There are major health concerns that will develop if you continue to smoke. Cancer of the throat, face, tongue, larynx, etc. can be devastating. Second hand smoke is hazardous to those around you. For help overcoming this habit/addiction go to ashline.org or call 1-800-556-6222 (Arizona Smoker's Helpline).
- ✝ Do not abuse alcohol. Drink in moderation if at all. If there is a problem, then get help. Don't let alcohol become your drug of choice. Seek Godly counsel. Check out AA.
- ✝ Get a physical exam. "Men like to think they are indestructible" says Alan Shindel, MD, co-director of the Men's Health Program in the department of urology at the U. of C. Davis, often putting off the less obvious types of problems that crop up out of no-where. While not every symptom you may have requires attention, there are some that should not be toyed with. These include: shortness of breath (you're thinking...I am really out of shape) - this could actually be an impending heart attack; persistent pain on one side of your abdomen (you're thinking...I probably pulled a muscle) - this could very well be a kidney stone or tumor; daytime fatigue (you're thinking...I

should really go to bed earlier) - this could be Obstructive Sleep Apnea; a new freckle or red patch, an irregular mole with black and brown coloration (you're thinking...oh this will go way on its own) - it could be skin cancer or a seborrheic keratosis. The differences in appearance between a benign growth and skin cancer can be subtle. A melanoma can be life threatening so it's worth getting it checked out early on.

- ✝ Plan a date night with your wife and rekindle your LOVE relationship. Surprise her with a movie and dinner out. Find new sources for conversation. Listen to your favorite music together.
- ✝ Enjoy your children. Go camping or hiking or whatever will give you some "one on one" time with them. Take them to a museum or park. Learn who they are and help them learn life values that are truly important to you. Listen to them and tell them you love them and support them in their activities as appropriate.
- ✝ Take time for quiet time with God, the One who created you and knows you inside out. Ask for His guidance in helping you in all of your endeavors and trust His Word, the bible - meditate on it's words and apply them to your heart. Men and women who meditate daily and pray have less stress and more joy in their lives. They can handle life's challenges with more grace than those who do not.

HAPPY FATHER'S DAY! RELAX, ENJOY, BE HEALTHY!

International Missions

"The world is my parish." – John Wesley

The International Missions Team challenged GCUMC to raise \$5,000 before Easter in order to assist Lisa Armstrong in meeting the financial needs to operate her mission in Honduras. While we did not reach that goal, we are grateful for those who did contribute during the season of Lent. Having been inspired by Lisa when she visited us in February, we wanted to share some of the recent news from Lisa's own newsletter, written upon her return to Honduras in March.

(The following information is from Lisa Armstrong's Fellow Man International Newsletter)

"The Forest and the Trees"

We've all heard the phrase, "can't see the forest for the trees". I think that would be an accurate description of the place I was at when I returned home this year to give report. The difficulties of the past 18 months of Honduran political strife and uncertainty had skewed my view of what really mattered. There will never be enough words of gratitude to adequately express what I feel in my heart for those who have made this project possible. With every handshake, hug, and word of reassurance, slowly but surely, I began to get my vision clear. The "forest" which I would define as the overall vision of the mission came into perfect focus. The methods (trees) no longer obstructed the view but instead seemed to fall perfectly into place forming a beautiful landscape filled with hope and promise for the future. Now that I'm back in Honduras, I have promised myself and the people I serve to remember to walk in peace and unity with the forest. It's important to recognize my own piece of the intricate, sometimes difficult, complicated and painful make-up of the trees always remembering that the trees are only a part of something much bigger...God's creation. It's also important to remember that when big winds blow, sometimes you just have to sway with the trees."

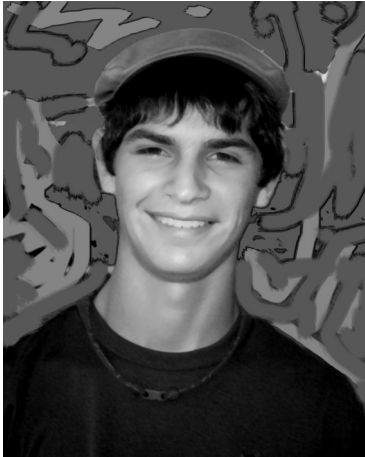

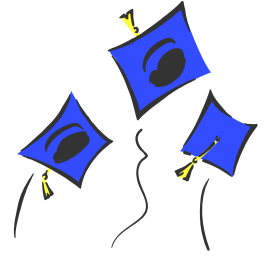

"When Dreams Become Reality - Seeing IS Believing"

The dream of a new school building in Buenos Aires (Ed. Note: that is the name of the village in Honduras) has been held in the hearts of the school children and their teachers for more than three years. Little by little, the building has been constructed. Finally it appears that an end is in sight. The two classroom building now has a sturdy roof, stucco walls, electrical wiring and a false ceiling. All that remains to be done is the hanging of doors and windows, tiling the floor, and finally, the installation of the light and bathroom fixtures. Once the construction is completed, we will be organizing the classrooms. Both classrooms will have an area for computers as well as areas for reading and supplemental learning. There is much excitement in the air as the students and teachers watch the final touches take place. In fact, there is such a lack of classroom space that the teachers use one side of the new building while the construction team works on the other side. Never before has a public school had so many amenities, much less one that serves a remote mountain community. The student's parents are also excited about the new school. They have worked alongside the foreman, volunteering their time in the name of better education for their children."

Although the construction is nearly finished, there is still a need to purchase items to furnish the classrooms; desks, dry eraser boards, and other classroom supplies. If you would like to help, you may contribute directly to Fellow Man International by contacting Lisa directly at lisaarmstrong@fellowmaninternational.com, or you may contribute through GCUMC and indicate that your donation is for FMI/Lisa Armstrong on your check.

"...We will strive to be a church that serves our community and the world, realizing and sharing the satisfying and abundant life Christ brings to all people."

Hallmark of Confusion!!

Rosalie started a unique ministry. She sends greeting cards to various friends and neighbors for a variety of occasions - from birthday wishes to condolences on the death of a loved one. And just for fun she sends cards for everything from Grandparents' Day to Groundhog Day. The more unusual ones, such as Friendship Day, Stepfamily Day, and Native American Day catch the attention of many of her friends.

Rosalie's calendar keeps her up-to-date on the well-known and lesser-known holidays. And Hallmark and American Greeting Cards provide a wide range of choices when she's shopping for the latest bunch of cards or she makes her own.

This hobby and ministry is not as simple as it appears. One can get confused trying to keep up with all the opportunities that call for a thoughtful card and note. Rosalie is thinking of engaging a capable assistant to help her keep track of who received what, when, and why. That day may arrive sooner than later, based on what occurred recently.

Rosalie chose a card for a woman in her neighborhood who had given birth to a baby boy. That same day she picked out one for a 94-year-old man who was recovering from surgery on his right arm. She wrote a personal note to each, signed the cards, and popped them into the mail on Thursday morning. On Sunday after church, the young mother approached Rosalie and thanked her for her thoughtfulness. Then she chuckled.

"I did have some pretty intense labor pains," she admitted, "but it didn't result in arm surgery."

Rosalie put a hand to her mouth in embarrassment. "Oh, no, I put my friend John's card in your envelope. How silly of me."

The two women had a good laugh. Then Rosalie remarked, "Can you imagine how surprised John must have been to receive a card congratulating him on his newborn son?"

STEPHEN MINISTRY®

GOT CANCER?

Not gaining with your chemo treatment? Markers not going down? Neuropathy making you absolutely miserable? Sick in your stomach? Feeling like you are a piece of something dropped in the backyard? Hair coming out?

PLEASE BELIEVE that our Great Healer is working AND that a Stephen Minister can enter and share your pain and frustration. Your Stephen Minister opens the door by LISTENING to you describe how you feel, HEARING you express and acknowledge your distress, fear, loneliness and possible disorientation, and HELPING you persist in asking questions that produce answers about your condition and treatment. GIVE IT A SHOT!!!

Call the office or speak to our pastor for a referral.

If someone listens, or stretches out a hand, or whispers a kind word of encouragement, or attempts to understand a lonely person, extraordinary things begin to happen.

W.O.W. Corner

June is here and so is the summer heat! You've probably noticed that the W.O.W. Team greeters have taken to the indoors. Rest assured they will return to their posts to greet each and every one of you with a welcome smile once cooler weather returns.

A golf cart, including new batteries, has been donated for use by team members to transport those wanting/needing assistance from the parking lot. Additional passenger seating must be added and that is expected to be accomplished by the next event. Our deepest appreciation goes out to the donor. Thank you!

Your W.O.W. Team will be on hiatus for the summer. However, all W.O.W. Team members are invited to cruise Saguario Lake on the Desert Bell on August 20th at 12:30 pm. The cost is \$18 per person reduced to \$17 if 10 or more sign up. Won't you come join the fun and fellowship with your fellow team members? Call Ron Walker at 671-3881 to sign up. See you there!

The next regular meeting is scheduled for September 6th at 6:00 pm in the Koinonia Room.

Have a great summer!!!!!!!!!!

Congratulations to these boys in achieving the highest rank in Scouting!

You Know it's going to be a Bad Day When:

- You return from a vacation and discover a new name on your mailbox.
- You stop at Motel 6 and they turn off the lights!
- You jump out of bed in the morning and you miss the floor.
- Your horn accidentally gets stuck, and you're following a group of Hell's Angels on the freeway.
- You walk to work on a summer morning and find the bottom of your dress is tucked into the back of your panty hose.
- As the moving van starts to unload next door, the first four items down the ramp are dirt bikes.
- Your church treasurer says, "The IRS called about some of your donations".
- You step on your scale and it flashes "Tilt, Tilt, Tilt".

Front and Center

Mary, the church organist, called early one Sunday morning as Ruth and her husband were preparing to leave for the first service. "Ruth, can you cover for me? I'm feeling ill."

Ruth was happy to help out, even though it meant rushing around at the last moment putting music together.

It was a hot and humid day so this added to the last-minute stress. The temperature had already reached 92 degrees at eight o'clock. "I knew I'd be sitting on a keyboard bench for over an hour," said Ruth. "The thought of wearing panty hose was unbearable.

Then I remembered my sister had given me a can of Air Stocking to spray on my legs when I want to appear that I'm wearing hose or sporting a great tan. It also helps cover my veins."

Ruth rushed out to their sun deck and sprayed both legs up and down. She loved the idea of looking good and being cool at the same time.

On to church! She and her husband arrived minutes before the service began. Ruth jumped out of the car and raced ahead of John so she could get situated at the organ. Suddenly, she felt her husband's hand on her shoulder.

"John pulled me aside and chuckled. 'Ruth, I thought you used the spray on your legs?'"

"Of course I did. Look for yourself." Ruth felt indignant that he'd question her now, when she was in a hurry. "I glanced at the front of my legs, and they looked fine to me," said Ruth.

"Check the backs and just below your knees," John persisted, pointing and laughing. "I can see the line on each side where you stopped!"

By this time he was laughing so hard he had tears in his eyes. Ruth admitted she was mortified. "My skirt wasn't a mini by any means, but it wasn't long enough to cover my mistake either. By then there was no time to return home and undo the damage. It was one day when I hoped no one would pay any attention to me!"

Ruth remembered a passage in scripture that reminds us not to ask the Lord to guide our footsteps unless we are willing to move our feet.

"That morning," she said, "I moved my feet all right, nearly running to the front of the church."

Thankfully, no one said a thing to Ruth about her "interesting" leg wear. Her husband, well he's another matter.

"He continues to tease me about my one-sided hose!" Ruth says with a laugh.

Volunteer Services

VOLUNTEERS DO MAKE A DIFFERENCE

Inspirational Values

Leadership

Consider these quotes to help motivate yourself to try a new volunteer job:

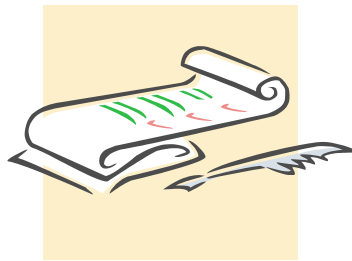

"We make a living by what we get, but we make a life by what we give." - Winston Churchill

"Everyone can be great, because everyone can serve." - Martin Luther King

Here are a few other ways in which you can exhibit leadership:

1. Try to make better the day of a person who is down.
2. Leave a small gift at the door of a family suffering severe illness, like cancer.
3. Return your shopping cart to the storage area.
4. Write a note to a teacher, thanking him or her for a lesson.
5. If you've been a jerk (for instance, if you got into a name calling situation and lost control), apologize even if the other person is wrong.

6. Create YOUR OWN PERSONAL LIST of 10 Random Acts of Kindness that might interest you. What might you do for people you see every day - neighbors, bus drivers, food/restaurant workers, or even strangers?

Learning

Please help! We need a summer volunteer to stop by the office on Wednesday or Thursday afternoons to do a simple task: Cleaning the Hearing Assists. You could do this on your own schedule and it requires less than an hour. **Caryl Lang** graciously took up this job, but please call the office if you can help out until Caryl returns in the Fall.

Do you have the time? No, I don't mean your watch! Please look over this list of volunteer needs. If you can assist with one or more of the following, **complete and place this form in the collection plate, at the Information Desk or church office.**
