From The Pastor: "Prayer for Children"

Summer is the time I spend an uninterrupted three weeks with my family. In those three weeks we have played board games, ridden bicycles, climbed Half Dome, dove into the Merced River, laughed with one another and created some lasting memories. I have the pictures to prove it.

It has been a great time for my son and I to spend quality time together. As we neared the end of vacation he began to think more and more about school. He complained it would interfere with his fun. August is the time we think about children and teachers as school resumes. Parents buy school clothes and teachers start making lesson plans. I think as a church we must never forget the concerns of children in our own community and beyond.

Many years ago a pastor I have always respected, Rev. Dewane Zimmerman shared a prayer for children he discovered written by an unknown author. I thought the beginning of the school year would be a perfect time to pray it again.

Let us pray:

We pray for children

who put chocolate fingers everywhere,

who like to be tickled.

who stamp in puddles and ruin their new pants,

who sneak popsicles before supper,

who erase holes in math workbooks,

who can never find their shoes.

And we pray for those who stare at photographers from behind barbed wire.

who can't bound down the street in a new pair of sneakers,

who never counted "one potato, two potato,"

who are born in places we wouldn't be caught dead.

We pray for children

who bring us sticky kisses and fistfuls of dandelions

who sleep with the dog and bury gold-fish.

who hug us in a hurry and forget their lunch money,

who cover themselves with Band-aids and sing off key,

who squeeze toothpaste all over the sink.

who slurp their soup.

And we pray for those who never get dessert,

who have no safe blanket to drag behind them,

who watch their parents watch them die,

who can't find any bread to steal, who don't have any rooms to clean up, whose pictures aren't on anybody's dresser,

whose monsters are real. We pray for children who spend all their allowance before Tuesday,

who throw tantrums in the grocery store and pick at their food,

who like ghost stories,

who shove dirty clothes under the bed, never rinse out the tub.

The Spirit is Building

By Grover Wallace

So God created man in his own image, in the image of God He created him; male and female he created them. God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish of the sea and the birds of the air and over every living creature that moves on the ground.

Genesis 1:27-28 (NIV)

Immediately, upon the creation of mankind, God gave the human race responsibilities to rule over everything upon the earth. When God gave mankind this responsibility, the human race had absolute authority and control over the earth and all of the creatures and plants existing in the world He had created. Throughout the centuries, God had continued to give humans specific responsibilities to carry out on His behalf. As you look through the Old Testament almost every page contains examples of God giving responsibility to all of mankind or to individuals expecting that the assigned responsibilities be carried out as He directed.

There was much wickedness on the earth, "So the Lord said, I will wipe mankind, whom I have created, from the face of the earth — man and animals...But Noah found favor in the eyes of the Lord." Genesis 6:7-8 (NIV) So God placed the responsibility of building the ark, gathering his family, bringing the animals, birds and species of every living creature aboard the ark and navigating the ark during the flood that lasted some 150 days. Thus, Noah became the second father of the human race.

God selected Moses to lead the Israelites out of Egypt to the Promised Land. Moses accepted this responsibility from God and led the two million complaining, discontent, quarrelsome and disrespectful Israelites for more than forty years in the desert, before he died. Then the Lord gave Joshua the responsibility to lead Israel through the parted waters to the Promised Land. During Moses reign of responsibility, he was responsible for delivering the ten commandments and building the tabernacle which included obtaining offerings of material and skilled talents from the Israelites to construct the tabernacle. Moses was probably the greatest Jewish leader willing to accept the responsibility God had given him, although he was somewhat reluctant at the beginning.

After the death of Moses, Joshua accepted God's command to lead the Israelites into the Promised Land which included crossing the Jordan, attacks on King's armies, conquering the land God had promised Israel and dividing the Promised Land among the tribes.

In addition to those mentioned above, others willing to accept responsibilities included David, King of Israel and the planner for building the Temple; the Judges that rescued Israel; and Solomon, son of David, who built the Temple and served as king.

These are just a few of the great human beings that served God by being responsible leaders obedient to God's commands. There are many others throughout both the Old an New Testaments.

Of course, the life of Jesus as he walked, preached, performed miracles and died on the cross for our sins is the greatest story and act of accepting responsibility from God. Throughout all the letters written by the Apostle Paul to the many Christian churches, he emphasized our responsibility to serve, teach, preach, lead, sing and make music, care for the poor and homeless, support our church by sharing our time, talents, efforts and our worldly goods. Therefore, God has given each one of us in the congregation of Gold Canyon United Methodist Church some type of responsibility to serve our Lord. The responsibility He has given each individual should be considered a privilege and not a burden.

On July 8, 2007 the message from Rev. Bob Deits was "How Do You Spell Success?". A ques-

who get visits from the tooth fairy, who don't like to be' kissed in front of the carpool,

who squirm in church and scream in the phone,

whose tears we sometimes laugh at and whose smiles make us cry.

And we pray for those

whose nightmares come in the daytime, who will eat anything,

who have never seen a dentist,

who go to hed hungry and cry them

who go to bed hungry and cry themselves to sleep,

who live and move, but have no being. We pray for children who want to be carried and for those that must.

for those we never give up on and for those

who don't get a second chance. For those we smother ... and for those

tion to each of us, how do we each spell success in meeting our Christian responsibilities?

During the month of June, our church family shared \$27,223.00 of their monetary possessions with the "Spirit is Building" program. As of June 30, 2007, we have contributed \$1,182,556.00, or 72.49% of our pledged amount to our current three year campaign.

The amount contributed in June was about \$10,000.00 less than our mortgage payment commitment. During the period of July, 2007 through February, 2008, we need approximately \$54,000.00 to reach our goal for our three year "The Spiirit is Building" campaign.

who will grab the hand of anybody kind enough to offer it . . .

It's not an easy prayer to say. It reminds me that part of my Christian walk is to broaden the concerns of my heart. To see the things that concern God. Let us remember children everywhere whom God loves.

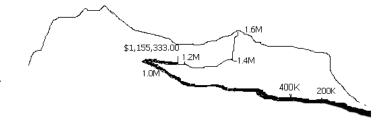

Just a note to teachers and students: we plan to pray for you in worship on August 12th. See you in church.

Grace and peace,

Climbing to the top the "Spirit is Building" Way! During the month of May, our Christian family shared \$36,077.00. As of May 31, you have contributed \$1,155,333.00 or 71.72% of our pledges to our present campaign.

Chick Flick Nights for August. Please check the board in the church or the notebook in the Education Building for locations and times for this month's film. (We will be offering some day time options as well). Our movie this month is "Babette's Feast". Chick Flick gatherings are designed to bring women together for fellowship and some interpersonal discussion. Just remember to sign up by calling the office, not the hostess. Thanks and see you at the movies.....

Adult Christian Education for the Fall. We are beginning to plan various study options for the fall. More details will be in the September newsletter, but you can begin now to prayerfully consider a class or small group that will help your journey in following Jesus.

HIGH FLYIN' THANKS! This is when it is good to be full of "hot air" and go on and on about how wonderful and committed the Vacation Bible School staff was last month. The children learned more about how we all can "soar to new heights with God" as we follow Him, trust Him, listen to Him, repent and then go out in the world and serve in Christ's name. We could not have offered so much to the children if we had not had the enthusiasm of the crew, who were all a blessing!

Youth volleyball

Starting the first week of June lasting through the first week in August 10 members of our youth group hit the

courts every Wednesday night. They are part of the South East District's volleyball league. This is their second year under the direction of **Coach Heather Rodenborg** and they are making great strides. Having not been a part of the league for a couple of years they started the 06 season rather sluggish. But 07 started with a win right of the bat. Our team is really coming together. One game this season we were down 10 points and came back to win the came by 4 points. What I enjoy most about watching our team is the way they encourage each other. When a ball flies off in the opposite direction, maybe even lands in someone else's court, the first thing our team members shout is: "Good Try!" Wednesday night usually ends with a trip to Dairy Queen where we laugh and laugh and laugh. The season will end with a tournament the first week in August and finalize at the Volleyball dance.

Music Notes

August – time to "get outa Dodge" (and Phoenix)! Time to go where the temps are cool, the air is pure, the water is blue, etc., etc., etc. For me it's a time to listen to scores in preparation for the fall, attend workshops and convocations to better my craft while visiting with old friends, and a time to go to the White Mountains (Lakeside) and commune with God and His creation. This year I participated in/will participate in the American Choral Directors Association's 4-Corners Choral Workshop in Flagstaff, the Fellowship of United Methodists in Music and Worship Arts in St. Louis, and the Week of Handbells in Bay View MI. When our first rehearsal comes, I'm gonna be *ready!*

Speaking of our first choir rehearsal, we will meet on the last Thursday night of the month, August 30, at 7:00 PM in the choir room. If you have thought about singing with us, or not thought about it until now, and you can read music (even a little) and carry a tune in something other than a basket, come join us at 7:00. We have a great time together – truly a family! We begin with a short meditation then warm-ups and rehearse music usually ahead for about 4 weeks. We have a very active Music Ministry here and welcome you and your family to join in where they can. Next month, I will publish the schedule for all of our groups.

This month, I pray wherever you go, whatever you do, remember to praise God for His many blessings of beauty, of music (natural and inspired), and all things that make life wonderful. But first, pay attention to these blessings – things like smelling the roses, and the coffee, looking at the . . ., experiencing the . . ., etc. God is good! Life is good! May we all continued to be blest this summer!

In His Name,,

Douglas J. Benton Director of Music Ministries

MY FEATURED VOLUNTEER GROUP THIS MONTH IS:

VACATION BIBLE SCHOOL VOLUNTEERS

Following the words of John Wesley: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can," our versatile VBS volunteers showed their love of over fifty children with passion, patience and dedication. Their many talents included making snacks, demonstrating and guiding crafts, singing, playing, listening and supervising. They came diligently each of the five days and worked for over three hours.

I would like you to consider the activities these model church members were involved in as way YOU might volunteer to serve. The rewards are great and the opportunities to serve and live a life of calling more faithfully are many.

We have many volunteer opportunities and programs available for you to think about.

If you would like to participate in a more global project, consider the many global ministries available with the United Methodist Volunteer in Mission projects. Find out more on the website at www.umc.org.

Thanks to all the Vacation Bible School volunteers who: led the various activity stations or were crew leaders during VBS week, donated props, painted scenery, helped set up and tear down the stage, made the

VBS T-shirts, worked the registration tables, donated supplies, cleaned up after us each day, supported the VBS missions project and prayed for the children, their families and the leaders. A big thank you also to those who made financial donations and gave thank you gifts for the teachers. Everyone—we could not have done it without you!

WHO/WHAT IS A STEPHEN MINISTER?

A Stephen Minister is first of all one of us...one who seeks to glorify God in all that is said and done...one who participates with all of us in worship by trusting the Holy Spirit to renew and transform ALL lives, the lives of care-receivers, the life of the Church and the life of the world.

Second, Stephen Ministers are those who will help care receivers find additional care and attention when the care-receiver's needs are beyond the capabilities of the Stephen Minister...who are process-oriented and not result oriented...knowing always that help comes from the Lord, maker of Heaven and Earth, and who are disciplined to recognize and meet a care-

Let us do good to all people, especially those who belong to the family of believers.

Galatians 6:10

receiver's needs while maintaining confidentiality and serving without expecting or accepting financial or any sort of reward.

A Stephen Minister is a good bet! Try one if you are troubled!

A Stephen Minister is the Care giver —God is the Cure giver!

"...Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world; for I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me."

Matthew 25:34-36

Healthy Living

plenty of water, exercise

This is part three of the summer EMERGENCY PREPARDEDNESS.

This is the final part of the three articles I have been sharing regarding protecting yourself from the elements, the weather and now this last one will be on disease.

Practice good health habits: eat right, drink

We read more and more of the threat of disease especially life threatening ones - Staphylococcus, Streptococcus, and the FLU, even the recurrence of whooping cough. Some of these are caused by viruses others by bacteria. It

daily, and get plenty of rest.
gh.
It ial for exposure and disthings you can do to proinute information on Ari-

can be frightening to think anyone of us has the potential for exposure and disease. If an outbreak should occur there are a variety of things you can do to protect yourself. First visit www.az211.gov for up to the minute information on Arizona-specific emergency health issues. Next, follow these healthy advice tips that come from the Us Department of Health and Human Services.

TO PROTECT YOURSELF AND YOUR FAMILY take these steps to lessen the effects of such an event. 1) Talk to your health provider to get information about the specific threat. i.e. How might this impact my health? 2) Encourage the adoption of communitywide practices at your place of employment or activity center that encourage sick employees/patrons to stay home while ill. 3) Practice good health habits: eat right, drink plenty of water, exercise daily, and get plenty of rest. 4) Wash your hands often. 5) Cover coughs and sneezes with the crook of your arm not your hands. 6) Stay away from groups of people especially if you are ill. 7) Make sure to keep abreast of any updates about the event and follow the U.S. Department of Health directions accordingly.

Be looking for the FLU shot clinic information that will be held in October, 2007. There will be instructions on getting your appointment and the exact date(s) and times.

This information came from the Emergency Preparedness "Just in case Arizona" booklet.

In the September newsletter, I will be writing about some exciting ways that you can prevent becoming a victim of these outbreak types of illnesses related to a fairly new discovery in Nutrition/Biology. It is revolutionary and could possibly be the "Missing link" in the treatment of many chronic illnesses as well. It is a Preventative approach to self care. Be watching.....

...Blessings of Health and Wellness. Susan
